

St. Paul Men's Golf League – 2014

Welcome to the St. Paul Men's Golf League for the 2014 season. We hope that you will find the league enjoyable.

League play will begin Monday, April 7 (if there is not 3 feet of snow still) and will conclude on August 25. Additionally, we will have an end of season outing on September 6. Cost for the regular season without the outing will be \$475, or \$118.75 per quarter. If you play in the outing the cost will be \$560 or \$140 per quarter. Quarterly payments will be due on the first golf Monday in the months of April, May, June and July. As in the past, you may choose to pay for the entire season at any time.

Our regular league play will be held at West Shore Golf and Country Club with tee times beginning at 4 pm and continuing until 5:15 pm. The end of season outing is scheduled to be played at Giant Oak Country Club in Temperance, Michigan on September 6 with tee times beginning at 8 am.

Again this year we will place all golf information on the church website (www.splconline.com). Click on the link for *Men's Golf League* under *Quick Links*. **Please print the weekly standings and averages from your computer** to help save on the number of copies needing to be made.
